A cracking class with 4 great wines getting the higher medals. The two Gold's differ greatly in style but deserve the gold for sheer fruit flavour and excellent structure. Major problem with non-award winners were phenolics or forward bappy characters. Overall though very good.

3 Golds and 3 Silvers shows the greatness of the 2013 vintage.

The Gold were excellent wines which have the potential to be drunk now or cellared for a few years to get that famous Semillon aged flavour. Low awards or non-award winners were phenolic or forward.

Look out for the top 6 medal winners in years to come when they get onto the shelf as they will be superb.

An okay class with one wine squeaking through for a gold. Award winners had varietal flavours and freshness whilst the non-award winners were forward and non-descript. No real faults displayed however which is a good sign.

Disappointing class with many wines being thin, insipid and lacking colour. On top of this a lot of wines were tannic. Top medal winners were at least bright colour and had varietal flavours and Cabernet structure.
