YOUR DRENCH PROGRAM WITH
TRIDECTIN®

Power up your drench program with Tridectin, the only broad spectrum oral drench that delivers the trusted power of moxidectin in a unique three-way formulation. Tridectin delivers fast, powerful and lasting control of roundworms, including strains with single, double or triple resistance to white, clear, 'mectin' or monepantel drenches! Incorporated into your drench program as the first summer, weaning or pre-lambing drench, Tridectin helps to protect the efficacy of all effective active ingredients. Visit au.virbac.com or call **1800 242 100** and find out how you can power up your drench program with Tridectin.

THE KUBOTA & KRONE SPECIALISTS

- Servicing Kubota & Krone products.
- Specialising in hay making equipment.

McClintock & Co Pty Ltd is a family owned business.

We are long term established farm machinery dealers situated in Canowindra.

McClintock's have been operating and expanding for past 40 plus years and currently employ more than 15 full time staff consisting of sales people, parts interpreters, service technicians, administration and clerical staff.

We have a broad selection of high quality, high performance agricultural equipment, both

new and used, backed up by fully accredited workshop with an extensive investment in tools, training and resources. Coupled with that is a superior parts network that is parts excellence accredited enabling us to provide reliable, quick, high quality service to our clients through the Central West.

Geographically located in the Central West Slopes of NSW in the heart of the sheep and cropping belt. Offering a full range of services to all rural land owners, contractors, and transport/truck operators.
