In all single varietal classes, not less than 85% of the wine shall be of the specified variety. A wine shall only be entered once, irrespective of the number of trade labels under which it is released. A wine entered in the ANSVWS cannot be entered in the CWS or vice versa.

A great class with very few faults and a good standard of wine. Some wines too extracted and heavy use of oak. Top wines showed poise, balance and elegance. A pleasure to judge.

Andrew Locke, Stuart Hordern, Tony Robinson, Hamish Young
 A strong class with very few faults and lots of well-made wines. The colours were strong and the careful use of oak was obvious.
 Top wines showed great concentration, balance and freshness.
